ROSALIE SKIPPER	BLANCHETOWN

ALL MEMBERS WHO BROUGHT A TROPHY ON THE DAY

THANK YOU TO ALL WHO HAVE BROUGHT FOOD FOR OUR LOVELY LUNCH AND HAVE HELPED TO MAKE THE DAY A SUCCESS.

JUNIOR CHAMPION ANGLONUBIAN Belmont Jamaya

**Judge's Report South Australian Branch Dairy Goat Show
Mt Pleasant
Saturday 28th November 2015**

It was a real pleasure to judge the South Australian Branch Show under cover at the Mt Pleasant Showgrounds.

Stepping out of retirement to judge the show was very rewarding, because of the high standard of quality dairy does paraded. Eight breeders presented three breeds, Saanens, Anglo Nubians and Toggenburgs. There was virtually no tail off in any class with each of the breeds displaying strong breed type.

Futurity classes were well represented paying off for breeders in trusting that their kids would continue to grow into successful show does.

The veteran does presented at the start of the show were exceptional in confirmation, breed type, udder and dairy quality. This class set the standard for what was to follow.

A highlight of the day was the large class of does entered in type and production. Points awarded were very close. The doe taking out the second and subsequent 24hr test had incredible dairyness angularity, udder attachment and capacity.

Saanens were well represented and showed consistency in breed type and strength in legs, feet, top lines and beautifully attached udders. The Champion Senior Saanen Doe took out the Grand Champion Doe having won Type and Production and Best Udder second and subsequent lactations. The Junior Saanen Doe was also Champion Kid. This young doe took out the Kid Futurity as well. She was beautifully put together with a striking outline, length of body, sound legs and feet with exceptional breed type and femininity. These two does were a real joy to judge along with the other Saanen entries who were eye catching.

The line-up of Anglo Nubians was excellent. Lovely does in all classes with distinctive breed type. The Senior Champion Anglo Nubian Doe and Best of Breed was a large bodied, exotic doe with great body capacity, character and beautifully attached udder. The veteran Anglo Nubian had the same charm, depth of body and character. They were a classy couple of does that set the benchmark in excellence for the other Anglo Nubians. The Junior Anglo Nubian Doe was a well grown doe who paraded well with excellent conformation. The Anglo Nubian kid class was strongly contested. The winning kid taking out the Reserve Junior Anglo Nubian position.

A very strong showing of typey Toggenburgs held their own against the other two breeds. The conformation, excellent blending and well attached udders across senior classes made these goats a pleasure to judge. Again there was no tailing off in any of these classes. A veteran doe took out Champion Senior Toggenburg. Goatlings were very even, well grown does showing good breed type and much promise. The kid was a very good doe, correct in conformation and as naughty as any Toggenburg kid can be.

My overall impression of the show was very positive. The outstanding feature of all does was their capacious well attached udders. Exhibitors helped each other out as needed and a feeling of cooperation and spirit of goodwill was very evident.

Thank you to the South Australian Branch for the opportunity to judge this important show. Thank exhibitors for preparing your animals and taking the time to exhibit them so well. I'd also like to thank stewards Pat and Danny and the show committee for making the show run very smoothly. I look forward to seeing how your young stock continues to show and produce in the years to come.

Tom Byrne
